The proposed legislation for subpoena powers was reviewed and discussed. : Currently Section 6- Currently The proposed legislation for subpoena powers was reviewed and discussed. Currently, Section 6-204, which applies to all licensing boards, gives the HCLCB the ability to summons witnesses for hearings. However, the HCLCB currently has no statutory authority to subpoena records from its licensees. Numerous other jurisdictions have the ability to subpoena records including Baltimore County, Cecil County, Carroll, Frederick, Garrett, Wicomico, Worcester, PG County, Howard, Anne Arundel, and Baltimore City. The proposed statute for the HCLCB is patterned after Anne Arundel County and Baltimore City's statutes that address the collection of fees.

This statutory reference is proposed to be placed after the statute "service of summons" which allows the Board inspector to serve a summons in addition to the Sheriff.

This will be presented at the delegation meeting on December 3.

The proposed new Board Rule – Catering Privilege – was reviewed. A few revisions will be made to be reviewed at a future meeting when the Rule revisions are discussed.

Chief Inspector Buchler reported that he has received several inquiries regarding the relaxed outside service area requirements. Previously, the Board determined that outside service area applications will be considered on a case-by-case basis as they relate to containment (fencing) and that the Board may issue a waiver to those requirements. It is required that license holders submit the Outside Service Area Application and request to appear before the Board for determination in connection with containment.
